

Health, Safety and Environment Policy - HSE

Sitecna® management is committed to providing a safe and healthful place of work throughout all of our facilities, offices and work sites and to make every effort towards eliminating any environmentally adverse effects of our operations.

We implements and continually improves an HSE management by:

- **providing adequate control of the health and safety risks arising from our work activities;**
- **providing and maintaining safe plant and equipments;**
- **ensuring safe handling and use of substances;**
- **providing information, instruction and supervision for employees;**
- **ensuring all employees are competent to do their tasks, and to give them adequate training;**
- **maintaining safe and healthy working conditions and reviewing and revising this policy as necessary at regular intervals.**

Our management is also committed to achieve improvements in the overall company environmental performance including prevention of pollution and conservation of natural resources.

All our needed electric energy is generated by the photovoltaic plant on the roof of our structure.
